[1] Nov. 9<sup>th</sup> 1871

Dear Dear

I have received  
your very welcome letter  
of Aug. 5<sup>th</sup>. I am always  
glad to know how you  
are getting on - I hope  
you do not feel as a stranger  
in Maine now - but are  
having many good friends  
and constantly gaining  
ground in your practice -

perhaps you do remember  
that it is 22 years today  
since we arrived at our  
first Mission home -  
many are the changes that  
have taken place in that  
time and many are the  
blessings - that have been  
showered down upon us -

[2]

I am very thankful to  
our Heavenly Father for  
his protecting <sup>care</sup> of us all  
and though the family  
is widely scattered yet  
we are all spared - by  
his great mercy -

I hope our lengthened  
days will be spent in his  
service -

Every <sup>thing</sup> moves on  
here about the same as  
usual, your father is still  
busy in the field near King  
corn - Anna intends staying  
at home this winter - and  
Joanna intends teaching -  
she came home from Portugal  
about a week ago - and in  
ten days will leave home again  
as far as I know she -

rest of the family are in  
their usual health —  
you write that you will  
not feel settled until  
you get married — Well I  
trust you will be heaven  
directed in this matter  
that it may be well with  
you — Anna wrote to you  
about six weeks ago, and  
would be pleased to have  
an answer.

Have you  
ever heard of Dr Cullis of  
Boston — it is not many  
months since we first heard  
of him — he lives a life  
of faith the same as Mr  
Miller of Bristol — Dr Cullis  
has a home for incurable  
consumptives that are very poor

and he has a tract repository  
we have just received a  
lot of his tracts and small  
books for distribution — we  
are much pleased with them  
I shall try to send you one  
of his reports —

I intend  
to send a B. messenger  
with this

May the Lord  
bless you, and keep you —  
continually is the sincere  
wish of your  
affectionate Mother

— Joanna sends much  
love to you — but is surprised  
you never write to her. —
